

Kriss Kross Puzzles

If you get bogged down by the word clues in crosswords, this may be the perfect puzzle for you!

Each Kriss Kross puzzle includes a list of words that fit into the grid. The word list is organized by word length, so you can easily find each word by the number of letters it contains.

How to Solve a Kriss Kross Puzzle

1. Start with the easiest words. Look for a word or two that can fit in only one place in the grid. Most of my Kriss kross puzzles have a starting word already entered to get you going!
2. Use the intersections. Once you've placed a word, use the intersecting letters to help you find words that fit across and down.
3. Try different possibilities. If more than one word seems to fit, test each option. The correct word must fit the available spaces and match the letters of any intersecting words.
4. Cross words off the list as you enter them in the grid.
5. Have fun!

A Word From Ramona

Hi, I'm Ramona Mona!

I've loved puzzles for longer than I can remember. My mother always carried a puzzle book with her, and when she'd finished the "good" puzzles, she'd pass the

book along to me for the easy ones. Somewhere along the way, I caught the puzzle bug myself. And now I'm hooked!

Growing up, I made word puzzles for Mom and number puzzles for my math class. These days, I especially enjoy easy puzzles that let me relax and have fun without working up a sweat.

My career took me from printing into writing, editing, proofreading, technical writing, coding, and website development. Eventually, all those skills came together in an unexpected way: creating puzzle books of my own.

Now I'm sharing that lifelong love of puzzles with readers like you!

I hope you enjoy these free puzzles. And if you'd like more, come visit me at RamonaMona.com to discover more puzzles made with love, just for you.

Happy puzzling!
